

General

We are indeed proud to state that the Department of Public Administration of the University of Sri Jayawardenepura offers the Diploma in Public Management since 2005.

Since this is offered by the University of Sri Jayawardenepura which is positioned as the “Center of Excellence for Management Education” in the National University System in Sri Lanka, the successfully completed participants will be equipped with knowledge, skills and positive attitudes in the fields of both public and private sectors in the positions of junior management & executive levels.

Objectives

1. To enhance the theoretical knowledge and skills in both fields of public and private sector management,
2. To provide an opportunity for higher education to those who left schools after the G.C.E O/L and A/L to gain basic qualifications and knowledge in the field of management, and
3. To pave the way for the working community to develop their career and nurture positive attitudes for a better working environment.
