The SLJBE is a peer-reviewed journal, bi-annually published by the Department of Business Economics, University of Sri Jayewardenepura, Sri Lanka. The journal serves as a forum for knowledge dissemination in business economics and related disciplines, and is devoted to the exploration of economic issues and problems related to business enterprises, employing both theoretical and empirical enquiry. The SLJBE promotes multi-disciplinary research and encourages international scientific cooperation and understanding among its main audiences: educators, researchers, policy makers, practitioners, and graduate students.

EXECUTIVE EDITOR - SLJBE
